PROFILE

Hi I am a 23 year old software developer seeking to break into the industry. I possess a variety of skills, including both frontend and backend developing skills and I am eager to learn more.

EXPERIENCE

2017 – 2017
ASCENSION LIVING
BETHLEHEM WOODS

SERVER

Worked serving residents at the retirement home. Consisted of taking orders, preparing meals, and serving to their tables.

2018 – 2018
ST. JOSEPH HIGH
SCHOOL

IT ASSISTANT

Worked at school's IT department. Helped configure, install, and maintain students' computers for the upcoming school year. Also did various troubleshooting and assisted students with tech issues.
